RoHS DIRECTIVE COMPLIANCE

The following Product Series are produced by Richco, Inc.:

The following parts are included in its entirety in the product series:

POF

Foot, Push In

POF-12664

POF-40022

POF-40048

POF-40059

POF-50185

At the date of inception, January 1, 2000, the entire Push on Feet series was produced from RMS-025. These parts will remain in inventory until depletion. The product names will remain unchanged.

Effective September 14, 2007, this entire series will be produced in a new resin, RMS-262. Products made with the new resin will be identified by the symbol RMS-262 placed on the Richco product identification label.

Both materials are RoHS compliant.

RMS-025: Polyvinyl chloride Flexible Moss Plastics® SR 1591

RMS-262: Thermoplastic elastomer Advanced Elastomer Systems Santoprene® 101-64

Except as provided below, to the best of Richco's knowledge and belief, each of the Product Series listed above complies with the compositional requirements of the European Union Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Directive 2011/65/EU ("RoHS Directive"). The substances that are banned by the RoHS Directive are not intentionally added to any of the products within each Product Series.

This document is valid without signature and replaces all former statements made by Richco, Inc. concerning the RoHS Directive.
