RoHS DIRECTIVE COMPLIANCE

The following Product Series are produced by Richco, Inc.:

The following parts are included in its entirety in the product series:

SOF Foot, Screw Mount

SOF-15111 SOF-15125 SOF-15126 SOF-15127
SOF-15129 SOF-15140

At the date of inception, January 1, 2000, this product was produced from RMS-125, which is RoHS compliant and will remain in inventory until depleted. The product names will remain unchanged.

The SOF series will be produced in a new resin, RMS-190, during the second quarter of 2007. Products made with the new resin will be identified by the symbol RMS-190 placed on the Richco product identification label.

RMS-125: Thermoplastic rubber
RMS 190: Neoprene Rubber Lanxess Baypren 210

Except as provided below, to the best of Richco's knowledge and belief, each of the Product Series listed above complies with the compositional requirements of the European Union Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Directive 2011/65/EU ("RoHS Directive"). The substances that are banned by the RoHS Directive are not intentionally added to any of the products within each Product Series.

This document is valid without signature and replaces all former statements made by Richco, Inc. concerning the RoHS Directive.
